

## **SAFETY POLICY STATEMENT**

It is the policy of the Consolidated Koshkonong Sanitary District that every employee is entitled to a safe and healthy working environment. An employee injury due to an accident affects the health and well-being of the employee and his/her family, and adversely impacts everyone in the municipality.

It is our goal to prevent the pain, tragedy, and economic loss due to accidents. All levels of management are responsible for the safety and well-being of all employees. All employees are responsible for their safety and the safety of others. We can meet these responsibilities by working continuously to promote and enforce safe working conditions among all employees and to maintain property and equipment in safe operating condition.

The objectives of this policy can be achieved only through the sincere efforts of all employees of the Consolidated Koshkonong Sanitary District.
